DWELLING PLACES OF MAHALAKSHMI: ***People can follow the tenets of the Vedas but cannot question them. They have been time-tested and followed by various sages and saints from the days of yore and handed to us. The Vedas teach about dharmas. Because of the Vedas, dharmas are established and because dharmas are followed, Vedas are fostered.***

Sri Anantha Padmanabhachariar Swamy said in a discourse that "Upanyasam" (discourse) means to bring a person nearer to God, like the Upanishads. The common cherished desire of all human beings is to derive wealth *(Lakshmikataksham).*

Karma yoga includes the performance of yagnas and giving to charity. For all these, wealth is essential. People can earn money to lead a legitimate and pious life. The poor Kuchela's wife asked her husband to fetch money for undertaking righteous deeds. An oft-repeated question is where Goddess Lakshmi (in charge of wealth) will reside. The simple answer is that She dwells in all places where righteous activities and good deeds are undertaken. Rama Himself worshipped Sri Ranganatha, showing that worshipping *Kuladevatha* ***(presiding deity) is important.***

Goddess Mahalakshmi declares that she will reside in those houses where the following dharmas are practised: guests coming to a house are well received and entertained; poojas are done with sincere devotion; religious rites and rituals are done by people to their forefathers; gurus and acharyas are respected; people who develop the companion of pious men; people who always speak truth; who consider cows as sacred and worship them and where "Rama nama" is chanted as the Goddess resides ever in His heart. *— In The Hindu*

Man prosecuted for dyeing hair yellow and blue

Moscow: A young man from Moscow was recently fined and prosecuted by Police for dyeing his hair yellow and blue, the colours of the Ukrainian flag.

On the night of Apr. 27, Stanislav Netesov was attacked by unknown assailants at a bus stop in the centre of Moscow as he was returning from work. He had his phone stolen and a tooth knocked out, but when he went to the Ministry of Internal Affairs in the Tverskoy district the next day to report the crime he was shocked to learn that, instead of providing him assistance, the authorities were more interested in the colour of his hair. Netesov had his hair dyed yellow, blue, and green which the police considered a symbol of Ukraine and an offense to the Russian army, which is punishable by law.

Stanislav Netesov said that the Police drew up a report on him for his "crime", took his fingerprints, and handed him a summons to the military registration and enlistment office, declaring that they would force him to "kiss his native soil in the trenches."

High-power headlights put motorists at risk

Sir,

Despite the diligent efforts by Mysuru City Traffic Police to instil discipline among motorists, our roads continue to be plagued with unruly behaviour, by compulsive traffic rules violators.

It is observed that many two-wheeler and four-wheeler drivers are equipping their vehicles with high-power "halogen" headlights. These headlights, often of dubious quality and Chinese origin, emit an intense white light that can cause momentary blindness to oncoming motorists, posing a serious safety hazard.

It is concerning that during night hours, the focus of Traffic Police seems to be primarily on apprehending drunken drivers and helmet-less riders, while other visible traffic rule violations, such as the use of these blinding headlights, go unchecked.

It is imperative that the Traffic Police expand their enforcement efforts to include penalties for all visible traffic rule violations. I urge for immediate action to address this issue before it leads to tragic consequences on our roads.

MLA H.D. Revanna booked in kidnap case after woman goes missing

H.D. Revanna

Bengaluru, May 4 (Agencies)- Former Minister and JD(S) MLA H.D. Revanna was implicated in a kidnapping case on Thursday, following a complaint filed by a 20-year-old man.

The complainant alleged that an associate of Revanna abducted his mother, who was reportedly among the women featured in alleged sex tapes involving Revanna's son, JD(S) Hassan MP Prajwal Revanna.

The Police registered a case against Revanna and Satish Babanna, a resident of K.R. Nagar Taluk in Mysuru district, under several sections of the Indian Penal Code, including charges related to kidnapping.

According to the First Information Report (FIR), the incident occurred on Apr. 29. The woman had previously worked at Revanna's residence and farmhouse in Holenarasipura for six years before quitting three years ago to work as a daily wage labourer.

As per the FIR, a few days before the first phase of the Lok Sabha elections in Karnataka on Apr. 26, Babanna visited the woman's residence and claimed that Revanna's wife Bhavani needed her for some work. Subsequently, the woman returned home on Apr. 26.

Later, as per the FIR, Babanna allegedly cautioned the family against speaking to the Police if they visited their residence and warned them of potential legal repercussions. On Apr. 29, around 9 am, Babanna reportedly approached the family, informing them that the woman would face legal consequences if apprehended by the police. He then took her with him, stating that Revanna had summoned her, as per the woman's son's account in the FIR.

"While I was searching for my mother, on May 1, a couple of my friends inquired about my mother's involvement in the alleged sex tapes of Prajwal. I contacted Satish over the phone to ascertain my mother's whereabouts and he informed me that a case had been filed against her and that she needed to obtain bail," the woman's son stated in the FIR.

Second notice served to MLA Revanna, says Home Minister Dr. Parameshwar

SIT searches houses, farm-houses owned by MP Prajwal Revanna, his father Revanna

Bengaluru, May 4 (Agencies)- Karnataka Home Minister Dr. G Parameshwar announced on Friday that a second notice has been issued to JD(S) MLA and former minister H.D. Revanna in connection with cases of molestation and abduction registered against him.

Revanna, son of former Prime Minister and JD(S) patriarch H. D. Deve Gowda, has been embroiled in controversy where his son, JD(S) Hassan MP Prajwal Revanna is facing rape and molestation charges.

Addressing reporters in Bengaluru yesterday, Dr. Parameshwar stated that an initial notice had been served under section 41 A of Cr.PC to Prajwal Revanna, but his advocate requested seven days to respond. However, the Special Investigation Team (SIT) investigating the allegations against Prajwal Revanna rejected this request, stating that there was no provision for such an extension.

Regarding H.D. Revanna, who also received a notice, Dr. Parameshwar mentioned that he had requested 24 hours to respond. However, as per procedure, a second notice has been issued to MLA Revanna, ensuring due opportunity following the law. Failure to respond to the notice would result in legal action.

Victim records her statement

In light of reports suggesting reluctance among victims to come forward and record their statements, Parameshwar emphasised the Government's commitment to protecting them. He stated that the SIT has identified individuals in the videos and is encouraging them to come forward and provide statements, expecting more women to step forward with their testimonies.

Sources confirmed that following the recording of the statement by the victim, the SIT has booked cases under IPC Sections 376 (2) N (committing rape repeatedly on same woman), 506 (criminal intimidation), 354 (A) (1) (behaving in unwelcome way, explicit sexual behaviour, demanding sexual favours), 354 (B) (using criminal force on woman) and 354 (C) (voyeurism, capturing image of a woman in a private act without her consent).

Sources explained that the victim who appeared before the 32nd Additional Chief Metropolitan Magistrate Court in Bengaluru and recorded her statement under Cr.PC Section 164, was one of the victims among those hundreds whose videos have come out.

The SIT is preparing to issue a third notice to Prajwal Revanna. The sleuths have also searched the houses and farmhouses belonging to Prajwal Revanna and his father H.D. Revanna, where the sexual assault was allegedly committed on the victims. Sources stated that the authorities might also seize the property.

It's rape: Siddaramaiah

Meanwhile, in Bagalkot, Chief Minister Siddaramaiah stated that Prajwal Revanna had committed rape. "Prajwal Revanna will be arrested no matter where he is and brought back to India," Siddaramaiah said.

"Prajwal Revanna's case is not about sexual harassment but the crime of rape. The victim will not lie about being raped before Court. Won't her life get ruined if she lies? The victim, a married woman, has stated that she was raped," he added.

SIT members visit Revanna's residence

Meanwhile, the SIT members accompanied by the local Police arrived at MLA H.D. Revanna's Holenarasipur residence this morning along with the victim to conduct mahazar.

Tiger carcass found in Bandipur

Mysuru, May 4 (MTY&VNS)- The forest sleuths attached to Bandipur Tiger Reserve found the carcass of an 11-year-old male tiger at Hediyala Forest Range attached to the tiger reserve yesterday.

The forest sleuths, who were on a regular beat, found the carcass near Chamalapura Katte near Hebbala under Hediyala Range. Soon, the forest sleuths informed the higher officials who visited the spot.

Veterinarian Dr. Mirza Wasim conducted post-mortem. It is said that the tiger died of age related issues with fractured shoulder bone and four abraded canine teeth.

Later, the carcass was burnt as per the guidelines of National Tiger Conservation Authority (NTCA) guidelines.

Bandipur Tiger Reserve Director S. Prabhakaran, Conservator of Forest (Project Tiger) Dr. P. Ramesh Kumar, ACF G. Ravindra, RFO K.R. Narayana, Honorary Wildlife Warden Krithika Alanahally and others visited the spot.

Man sexually abuses minor niece on the pretext of tuition classes

'Politically connected' accused remains at large even eight days after Police complaint

Nanjangud, May 4 (BCT)- The Nanjangud Police have filed a case under the Protection of Children from Sexual Offences (POCSO) Act against a man in Nanjangud town for allegedly raping his minor niece, purportedly under the guise of escorting her to tuition classes.

Despite eight days passing since the complaint was lodged and the case was registered, the accused has not been arrested, much to the dismay of Temple Town residents. It has been alleged that the accused wields political influence, which is believed to be obstructing law enforcement from taking action against him.

The case was registered based on a complaint filed by the girl's mother in which she stated that the incident took place on Apr. 24 at 9 am. She claimed that the man, identified as Rajesh alias 'Daitya' Rajesh, took her 16-year-old daughter in his car to a house in Housing Board Colony instead of her tuition classes, where he sexually abused her.

The woman mentioned in her complaint that her daughter is enrolled in a college for her PUC studies. During the holiday season, her daughter would typically visit Rajesh's house before heading to her tuition classes. Given the familial relationship between Rajesh and the girl, the family permitted this arrangement.

Following the sexual abuse, Rajesh warned the girl not to disclose the incident to anyone. He instructed her that if questioned, she should claim they had shared a meal at a nearby restaurant. He also promised her to buy a brand-new mobile phone.

The woman elaborated in her complaint that after the assault, Rajesh dropped her daughter off at her grandmother's house at around 11 am on the same day and insisted that she be available to him whenever he desired.

Upon experiencing pain and discomfort in her genital area, the girl confided in her grandmother. Subsequently, her mother, who was in Mysuru at the time, hurried back to Nanjangud. Upon her return, the girl recounted her traumatic experience. The victim's mother worked at a garment factory.

The following day, on Apr. 25, the woman lodged a formal complaint at the Nanjangud Town Police Station, urging swift action against the accused and a case was registered under the POCSO Act.

Despite the severity of the allegations, the accused, Rajesh, remains at large.

According to residents, he enjoys close ties with influential politicians from the ruling party. Rajesh was reportedly actively involved in campaigning for the party in Nanjangud during the recent Lok Sabha election.

Residents expressed frustration highlighting instances where Rajesh was openly seen during election campaigns and after, yet the Police failed to arrest him.

Senior advocates get trapped in Court Lift, rescued

Mysuru, May 4 (GA&BCT)- In a heartening display of camaraderie and quick thinking, junior advocates came to the help of their senior counterparts who found themselves trapped in a malfunctioning lift at the Mysuru Law Courts Complex, Malalawadi in Jayanagar.

The incident unfolded yesterday morning as approximately 10 senior advocates were using the lift from the Court halls when a sudden power outage left them stranded. With communication cut off and tensions rising, the situation seemed dire. They tried their best to open the doors but in vain.

However, the timely intervention of junior lawyers proved to be a saving grace. Working together, they managed to free the trapped senior lawyers from the lift by opening the doors with an iron crowbar after approximately 20 minutes of confinement.

Expressing gratitude for the efforts of their junior colleagues, the senior lawyers commended their professionalism during the crisis.

Arrest PRAJWAL ... but who will save the women & children?

By now, we have heard, read and seen the Member of Parliament from Janata Dal (Secular), Prajwal Revanna, turn into a sexual predator. He has put a different kind of 'S' in JD(S). His acts of sexual exploitation are disturbing to say the least.

Yesterday, Chief Minister Siddaramaiah, with an air of dare and defiance, said the State Government would bring Prajwal Revanna back to Karnataka to face the law, no matter where he is or which country he may be in.

While discussing 'bringing back Prajwal Revanna,' one must ask: Is Prajwal the only offending party?

The leaked video clips have un-blurred footage of over 70 women. These clips will destroy the families of the women involved.

Prajwal may have exploited the women, but it was the person who leaked the video that destroyed them.

It is alleged that the video clips were handed over to Prajwal's rivals, in both BJP and Congress, by Prajwal's disgruntled driver.

After that, pen drives loaded with sex clips were thrown on walking paths, on bus seats, around colleges and even at boys' hostels in Hassan.

So, will the Congress party investigate who invested in buying pen drives, took the time to make copies and drizzle this 'political porn' all over Hassan?

It is evident that it is a politically motivated video release. The clips were available in 2023 itself, but they were kept safe until a few days before the 2024 elections.

Politicians were so blinded by the political advantage this video would generate that they didn't give a damn about the women in the videos as their un-blurred images were disseminated with reckless abandon.

Even the Women's Commission, well-known NGOs, vociferous liberals and aggressive human rights activists have curiously remained silent instead of demanding the hunt and arrest of the people who leaked the video.

Meanwhile, some say these women gave their consent to perform sexual acts with Prajwal, so they are not victims!

This was seen in the case of the 47-year-old domestic help whom Prajwal sexually exploited. In a press conference, her family blamed her for 'going to him.'

The poor lady tolerated the abuse so she could feed her children and her family, and now the same family wants to abandon her!

Many forget that a lack of visible protest does not automatically mean consent. In fact, it was just silent compliance. These women did not protest and instead complied because of their circumstances — Prajwal had the power to dictate their livelihood.

Prajwal will definitely come back and surrender. Cases will be booked. The case will go on for years, witnesses will turn hostile, Governments will change and Prajwal will be back, if not in politics, then back to his good old life. But what will happen to the women in the video?

These women are mothers and wives. Many may end up being hated by their children and even lose them to a divorce.

Many will be abandoned and thrown out of their homes. Many will be shunned by their family, friends and community. Many will have to leave their cities and start a new life elsewhere.

These women will one day be grandmothers and probably, they will not be allowed to see their grand-children, let alone play with them.

Who will save the children of these women from a lifetime of trauma caused by shame and taunts?

The reputation of 70 families for generations to come has been destroyed. Worse, there is no end in sight because the videos will remain forever on the World Wide Web.

Who will pay the price for this? Will the politicians, who are exploiting these videos, help these women?

Our politicians have used these women as pawns. They are cruel men. Devoid of empathy but rich in hypocrisy as they peddle phrases like 'Gruha Lakshmi' and 'Nari Shakti.'

Prajwal may have raped these women, as the CM alleged yesterday, but the people who leaked the videos signed their death warrant. Already, three have attempted suicide.

If CM Siddaramaiah cares. If the Congress party has a conscience, then it must investigate who leaked the videos, find them and convict them, for they have done far worse damage to these women and their children than Prajwal did.

If the CM wants justice done, he must track down the people who leaked this video, who may be in Karnataka, with as much vigour he expressed when talking about bringing back Prajwal from Germany.

P.S.: Advantage BJP - Congress?

This sex video scandal could spell the end for Janata Dal (Secular), which means Karnataka will only have two political parties — BJP and Congress.

The JD(S) may disintegrate if pressure builds on Prajwal and H.D. Revanna, his father.

Revanna, who is said to be close to Siddaramaiah, may compromise and join the Congress to save his son, while his brother Kumaraswamy may join the BJP to secure his son's future in politics.

This could be good news for BJP and Congress as they will no longer be at the mercy of the Gowda family, the proprietors of JD(S), who tend to play the 'King Maker' with just a few seats.

More importantly, the disappearance of JD(S) could split the decisive Vokkaliga vote in the Old Mysore region. The big question then will be: Which party will the Vokkaligas vote for if their traditional party, JD(S), disintegrates? Be assured, BJP and Congress are having an eye on this pie!

Derogatory comment on PM Modi

BJP Mahila Morcha protests against Congress MLA Raju Kage

Mysuru, May 4 (SBD&BS)- Following a derogatory statement of Congress MLA Raju Kage (of Kagwad in Belagavi) saying 'If Narendra Modi dies will no else become the Prime Minister of the country', Mysuru City BJP Mahila Morcha leaders staged a protest in front of Kote Anjaneya Swamy temple, Mysore Palace North Gate in the city on Thursday.

The protesters also prayed for the longevity of Modi, by offering a special puja to the deity.

The BJP Mahila Morcha workers who raised slogans against MLA Kage alleged that such a comment reflects the bad mindset of Congress.

Addressing the protesters, City BJP Mahila Morcha President Renuka Raju said "While addressing the voters during Lok Sabha poll campaign at Belagavi recently, Kage had let his tongue loose by making such a comment on Modi. Why is he wishing the death of Modi? Are the Congress leaders speaking in such a tone, for revoking Article 370 that gave special status to Jammu and Kashmir, granting 33 percent reservation to women, for inaugurating Ayodhya Sri Ram temple realising the centuries old dream and creating a secure atmosphere in the country by eliminating terrorism, asked the protesters.

The wary Congress leaders are speaking out of fear and despair, ridiculing the Prime Minister of the country. They are ready to speak in any tone just to score a brownie point in politics, which is not a good development, the agitators said.

General Secretary of City BJP Mahila Morcha Chandrakala, Savitha Gowda, Sowbhagyamma, Malini, Pushpa, Meenakshi, Chandrakala, Jyothi, Rashmi and other leaders took part in the protest.

Rain fury, gusty winds hit Mysuru

Mysuru, May 4 (SBD, MK& BS)- Heavy rains, accompanied by gusty winds, lashed several parts of the city and district yesterday evening bringing respite from the soaring heat that had triggered health concerns among people.

Following the heavy wind, trees were uprooted and electric poles came crashing down with vehicles passing on the road caught entwined in the snapped cables and damaged at places.

Rain water overflowed on the roads, forcing two-wheeler riders to wade through the deluge, while the pedestrians ran helter-skelter looking for a shelter to avoid getting drenched.

At around 4.30 pm, dark clouds engulfed the city, followed by a heavy wind that carried a plume of dust kissing the skies, never unseen in the recent past, sending shivers down the spine of many two-wheeler and four-wheeler riders, who applied sudden brake for the momentary blindness caused by the dust particles hitting their eyes, leading to the traffic jam at several circles and junctions.

Some of the riders fell off their vehicles after being hit by the velocity of the wind. While some other riders haphazardly parked their two-wheelers on road, only to run for shelter at nearby shops.

Those inside homes were caught off-guard with the sudden change in weather condition. It's not just the people, but also the stray cattle and dogs that felt the impact, while the roosting birds were flying astray making a strange sound.

TREES UPROOTED

Several trees were uprooted on Dhanvantri Road near K.R. Hospital, Sanskrit Patashala Circle near Chamaraja Double Road, JLB Road, Ramamandira at Jayanagar, Kukkarahalli Lake area, Jaganmohan Palace, Bogadi-Gaddige Main Road and Mahabodhi School in Saraswathipuram.

Hundreds of tree branches came crashing down on Kalidasa Road, Shivarathreeshwara Nagar in Bannimantap, Vijayanagar Railway Quarters, Gokulam, near Raghavendra Mutt in Jayalakshmipuram, Srirampura Outer Ring Road (ORR) junction, Lakshmi Vilas Road, Ramaswamy Circle, KSRTC Sub-Urban Bus Stand, Mirza Road, Ittigegud Post Office, Jayachamaraja Wadiyar Circle (formerly Hardinge Circle), Rajiv Nagar, JP Nagar, Saraswathipuram, TK Layout, Ganesh Bhandar junction, Yadavagiri, Siddarthanagar, Brindavan Layout, Metagalli Police Station junction, Kuvempunagar, Ramakrishna Nagar, Kalamandira, Vidyaranyapuram, Jalapuri, Niveditha Nagar, Mandi Mohalla, Bamboo Bazaar, Vishweshwara Nagar, Kashipathi Agrahara, Anand Nagar, NR Mohalla and several other localities in the city.

TRAFFIC JAMS

Following the uprooting of trees and rickety branches, vehicular traffic came to a grinding halt causing traffic jams near KSRTC Sub-Urban Bus Stand, Jaganmohan Palace leaving the riders in haze.

The pedestrians also had to feel the heat of the situation as they had nowhere to go, with the fallen trees and branches occupying the roads proving a hurdle.

The authorities concerned also found it difficult to clear the trees amid rain, adding to the grouse of the general public.

LOW-LYING AREAS INUNDATED

The low-lying areas turned into a cesspool with water overflowing on the either side like a canal. Like always, a deluge was created in front of Silver Jubilee Clock Tower (Doddagadiyara) opposite Town Hall.

As the knee deep water accumulated at this junction, the vehicle riders seemed wary of wading through the water, while the pedestrians were seen moving cautiously holding on to the iron grills of the road m edian.

Vehicular traffic was affected near a petrol bunk on Hebbal ORR, following the accumulation of huge quantity of water on the road.

The Raja Kaluve near Hanchya-Sathagalli Layout overflowed on the roads, due to improper maintenance of the drain that was left clogged at places.

CALLS FLOOD MCC CONTROL ROOM

There was a flood of calls seeking help at Mysuru City Corporation (MCC) control room. The personnel attached to Abhaya emergency rescue squad of MCC attended to the calls on priority clearing the fallen trees and branches on prominent roads, which stretched beyond late night hours.

The harrowed residents made frantic calls to the former Corporators, who also rushed to their help and coordinated with the officers and Abhaya squad in addressing the issues.

POLICE LEND A HELPING HAND

The Policemen including those attached to Traffic and Law and Order (L&O) wings, also did their mite lending a helping hand to the public to clear the trees and put up barricades respectively, diverting the vehicles towards alternative routes.

VEHICLES DAMAGED AS TREES FALL

Numerous vehicles were damaged as the trees uprooted and electric poles fell on them at various parts of the city.

A car parked near a bakery on New Sayyaji Rao Road near Sanskrit Patashala junction was damaged as a tree fell on the vehicle. An autorickshaw and five to six two-wheelers were also damaged in a similar incident that occurred on Dhanvantri Road near K.R. Hospital.

MIRACULOUS ESCAPE

Bharath, a two-wheeler rider, had a miraculous escape, as a tree fell on his vehicle at Jayanagar. He along with his two children rushed towards a bus shelter after parking the vehicle on the road, when the incident occurred.

Similarly, trees fell and electric line snapped near City Police Commissioner's Office on Mirza Road in Nazarbad plunging the area into darkness.

As the power supply went off soon after the electric cable fell on the road, what could have led to a major situation was averted.

A car belonging to one Kannan parked on 8th cross, Ramanuja Road was also damaged in tree fall, while electric poles uprooted and fell on a stretch of Manandavadi Road near KSIC Silk Factory, damaging a private college bus, KSRTC bus and a car. The occupants of all these vehicles had a providential escape, with no untoward incidents reported in this connection.

CALF SUFFERS ELECTRIC SHOCK

A calf collapsed after suffering electric shock on 12th cross, Ramanuja Road, but it survived due to the alert locals who informed Chamundeshwari Electricity Supply Corporation (CESC) personnel and succeeded in getting the power supply disconnected, thus saving the life of the cattle, it is learnt.

Electric poles fall on buses

Over 300 electric poles, most of them street lights, uprooted and fell on roads in several parts of the city and district, plunging majority of the city into darkness for sometime. At some places, CESC personnel succeeded in clearing the trees and branches to restore power supply, much to the relief of the residents.

"About 15 electric poles uprooted on a stretch of Manandavadi road alone, from KSIC Silk Factory junction to NIE College junction, damaging several vehicles. The 11 KV power line fell, but automatically turned idle as there was an excess flow of electricity," said Sunil, Superintending Engineer of CESC.

According to another officer, over 350 electric poles uprooted in a short span of 15 to 20 minutes due to heavy flow of wind and the restoration works are on. But, it will be difficult to restore power supply at some of the localities till Saturday evening, he added.

WORD OF THE DAY

Palpable

Pronunciation: PAL-puh-bul.
Meaning: Something described as palpable is obvious and notable. Palpable may also be used as a synonym of tangible to describe something that can be perceived by one's sense of touch.
Origin: If you find it fascinating how English speakers push words with concrete meanings into figurative use, we feel you. By which we mean we understand you, of course, not that we are patting your head or poking you in the shoulder. Palpable, which has since the 14th century described things that can be literally felt through the skin (such as a person's pulse), has undergone an expansion similar to that of feel over the centuries, and is now more frequently used to describe things that cannot be touched but are still so easy to perceive that it is as though they could be — such as "a palpable tension in the air."
Example: "The power of the ancestral people who built Cliff Palace feels palpable as I stand inside the cliff hollow, marvelling at towers and rooms that slot together perfectly." — Linda Barnard, The Toronto Star, 16 Sept. 2023.

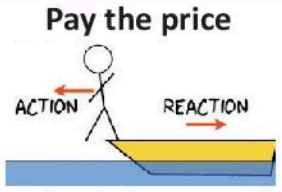
THE ODD WORD

Paleo-osteology

Study of ancient bones.

PHRASE OF THE DAY

Pay the price



Meaning: The phrase 'Pay the price' means to suffer the consequences of someone's actions.
Origin: Scholars found the first instance of a term with a meaning similar to the phrase 'Pay the price' in ancient Greek text, where the word 'tinein' was used to describe punishment and defined as "to pay a price, punish, take vengeance." In Old English, the word 'worth' seen as 'weorþ' had several different meanings; among them, worthiness, merit, or price in terms of equivalent value.
Example: "Jack drank so much last night! Now he's paying the price for it."
